Plymouth Rock
assurance®

Plymouth Rock Assurance® and Plymouth Rock® are brand names and service marks used by separate underwriting, managed insurance, and management companies that offer property and casualty insurance in multiple states pursuant to licensing arrangements. Program eligibility requires purchasing the Boston Bruins® and TD Garden Rewards Package endorsement for an additional annual premium payment of \$10 and a Plymouth Rock Assurance Massachusetts, Connecticut or New Hampshire private passenger auto insurance policy. The endorsement is offered in CT by Plymouth Rock Assurance Corporation and Palisades Insurance Company, in MA by Plymouth Rock Assurance Corporation, and in NH by Mt. Washington Assurance Corporation. Each company is a separate legal entity that is financially responsible only for its own insurance products. Actual coverage is subject to the language of the policies as issued by each separate company. Bruins® and TD Garden benefits may be subject to availability. Other eligibility requirements and restrictions apply.

* Get Home Safe: Your policy includes this benefit under which Plymouth Rock will pay for your one-time, one-way cab fare home (up to \$50) when you find yourself in a situation where it might be unsafe for you to drive (excluding mechanical breakdown). The additional Bruins® Get Home Safe ride must start within a one-mile radius of TD Garden.

† Endorsement includes an additional \$10 per day towards rental car costs if you have Substitute Transportation coverage on your policy and have a covered Collision or Comprehensive loss that requires your car to be in the shop.
