Plymouth Rock assurance®

Plymouth Rock Assurance® and Plymouth Rock® are brand names and service marks used by separate underwriting, managed insurance, and management companies that offer property and casualty insurance in multiple states pursuant to licensing arrangements. Program eligibility requires purchasing the New England Patriots Assurance Plus endorsement for an annual fee of $15 and a Plymouth Rock Assurance private passenger auto insurance policy. The endorsement is offered in CT by Plymouth Rock Assurance Corporation and Palisades Insurance Company, in MA by Plymouth Rock Assurance Corporation, and in NH by Mt. Washington Assurance Corporation. Each company is a separate legal entity that is financially responsible only for its own insurance products. Actual coverage is subject to the language of the policies as issued by each separate company. Some Patriots benefits are subject to limited availability. Additional restrictions and fees may apply.

Plymouth Rock pays sponsorship fees to the New England Patriots for the use of its intellectual property. These fees are used for the general purposes of the New England Patriots. The New England Patriots do not employ or endorse agents, producers or brokers. The New England Patriots and its affiliates are not insurers.

*The Get Home Safe® benefit is included with your policy and provides a one-time, one-way cab fare home (up to $50) when you find yourself in a situation where it might be unsafe for you to drive (excluding mechanical breakdown). The additional Patriots Program Get Home Safe ride must start from a Kraft Group property. Additional rental car coverage includes an additional $10 per day towards rental car costs if you have Substitute Transportation coverage on your policy and have a covered Collision or Comprehensive loss that requires your car to be in the shop.
